| Year | Make | Model | Color | License Plate # | State | New Card # |
|------|------|-------|-------|-----------------|-------|------------|
|      |      |       |       |                 |       |            |
|      |      |       |       |                 |       |            |
|      |      |       |       |                 |       |            |
|      |      |       |       |                 |       |            |
|      |      |       |       |                 |       |            |
|      |      |       |       |                 |       |            |
|      |      |       |       |                 |       |            |

**I hereby verify that the gate cards listed above are for my official company use and will not be used by anyone who is not a licensed driver or properly authorized by the FCHOA Security Dept. I understand that any work involving digging or the removal of trees requires a work order. If damages occur due to not obtaining a work order, or trees removed without permission, I understand I may be responsible for paying for repairs of such damages or for the replacement of trees removed.**

**Failure to comply will result in the loss or suspension of gate card privileges and the eligibility to reapply.**
